Starved Rock Yacht Club

Member of the Lake Michigan Yachting Association

Dear Business Owner,

Every year, the Starved Rock Yacht Club in Ottawa hosts the SPECIAL PEOPLE CRUISE. This is an event open to mentally and physically handicapped children and adults. Enclosed is a press release which describes in detail the activities that we provide for this special day.

This charitable event is a huge undertaking and is only possible because of businesses like yours that support this wonderful event and the volunteers who donate their time and boats to make it happen.

We need items such as ketchup, mustard, relish, hot dogs, food trays, bottled water, pop, juice, wet naps, cookies and prizes to give away like toys, hats, shirts, keychains, mugs, flags, etc. The participants in this event are so grateful for everything and these donations make it possible for them to enjoy a day where they are honored as the "SPECIAL PEOPLE". We also accept financial donations which help us purchase the supplies that are not donated. Checks should be made payable to SRYC-Special People Cruise. We are a non-for-profit organization.

We will continue to use our website www.starvedrockyachtclub.org to promote the SPECIAL PEOPLE CRUISE and also list our sponsors with a hyperlink to their websites, if available.

I have also included a poster that you may like to post. The event which is June 6th, 2009, is open to all mentally and physically handicapped children and adults and we do require a signed waiver that may be obtained by calling the Cruise Captain Ron Musial 630-497-8910 or Co-Captain Pam Burgwald 815-434-0146 or Co-Captain Donna Malinak 708-331-1652 or by downloading the waiver from the website. They can be reached via e-mail at ron.musial@sbcglobal.net.

Your support is greatly appreciated by all who enjoy this very special day.

Sincerely,

Ron Musial
Special People Cruise Captain
